Penfield Green Initiative Vision Statement:
The Penfield Green Initiative began in Dec
2007. We are Penfield residents who want
to promote positive environmental action &
provide a forum for the general public to be
involved supporting a "green Penfield."

We encourage people to attend any of the
following events or meetings. E-mail us
with your comments & permission to
publish them in the next monthly
newsletter. Please let us know of any
other Environmental Issues or events.
We'd enjoy hearing from you.

Please Friend these groups

CHECK OUT THESE APRIL EVENTS

Penfield Clean Up Day

Sat, April 20: 9am-12pm
Penfield Community Center

Families, Clubs, Groups & Individuals –
Make Penfield beautiful, help us clean up
the winter debris!

Sign up at Penfield Recreation: 340-8655
or recreation@penfield.org

Household Hazardous Waste Collection

Sat, April 20: 7:45am-12pm
Webster Highway Garage, 1005 Picture
Parkway

Call to make an appointment 340-8710 or
go to www.monroecounty.gov/hhw

Secure Document Destruction

Sat, April 20: 9am-2pm
Penfield Community Center
See details & accepted materials at:
www.recoverycascades.com/

Electric Car Show

Sat, April 20: 9am-12pm
Penfield Community Center
Cars from private owners, dealers &

Fri, April 19: 8pm

Return of the Bluebirds
Sat, April 20: 8am

Migratory Birds
Sat: April 27: 8am

WXXI is hosting a One Take Doc Series the 2nd Tues of every month

A PLACE AT THE TABLE

Tues, April 9: 7pm The Little Theatre,
240 East Ave

49 million people in the US-1 in 4 children – don't know where their next meal is coming from, despite our having the means to provide nutritious, affordable food for all Americans. Directors Kristi Jacobson & Lori Silverbush examine this issue through the lens of 3 people for who are struggling with food insecurity.

The film shows us how hunger poses serious economic, social & cultural implications for our nation & that it could be solved once & for all, if the American public decides – as they have in the past – that making healthy food available & affordable is in the best interest of us all.

Genesee-Finger Lakes Active

Transportation Summit

Healthy kids - by advocating for a handful of public-policy & practices changes, the HealthiKids Coalition is blazing a path for a healthier, more active children in Rochester & Monroe County. Our change agenda calls for better school food, safer play areas, food standards at childhood center, at least 45 minute of in-school physical activity & policies that support breastfeeding. You can make your voice hears & become part of this critical effort.

www.fingerlakeszerowaste.org

Finger Lakes Zero Waste Coalition is a not-for-profit corporation dedicated to promoting sustainable waste management practices & minimizing the impact of the garbage importing industry on our health, property values, natural resources & the emergent tourism economy of the Finger Lakes region. The Finger Lakes region of New York state is the final destination for municipal, residential & industrial waste from all over the Northeastern US & Canada. The Ontario County & Seneca Meadows landfills combined import approximately 9000 tons of garbage a day

www.foodandwaterwatch.org/

Food & Water Watch works to ensure the food, water & fish we consume is safe, accessible & sustainably produced. So we can all enjoy & trust in what we eat & drink, we help people take charge of where their food comes from, keep clean, affordable, public tap water flowing freely to our homes, protect the environmental quality of oceans, force government to do its job protecting citizens & educate about

the importance of keeping the global commons — our shared resources — under public control.

www.foe.org/

Friends of the Earth strives for a more healthy and just world. We understand that the challenges facing our planet call for more than half measures, so we push for the reforms that are needed, not merely the ones that are politically easy. Sometimes, this involves speaking uncomfortable truths to power and demanding more than people think is possible. It's hard work. But the pressures facing our planet and its people are too important for us to compromise.

R-CAUSE (Rochesterians Concerned About Unsafe Shale-gas Extraction)

www.reuseitnetwork.org/#groupinfo
The ReUselt Network is an on-line forum that serves as a tool to make connections between community members who want to help each other, themselves & their environment. In a disposable society where many items are discarded long before they have actually outlived their use, The ReUselt Network helps get things from people who have them but don't want them to people who want them but don't have them.

Our goal is to find new uses for unwanted items that would otherwise be thrown into the trash. The primary benefit is that it reduces the amount of reusable items that end up in the trash with a secondary benefit of reducing the overall amount of items thrown into landfills. Reusing items not only cuts down on goods in landfills, but also helps reduce the strain on our natural resources by keeping useable items in circulation, reducing the need to manufacture additional goods.

The ReUselt Network also provides an opportunity for those looking for an item to ask for it. Requests for items may jog the memory of someone who has an unused item stashed in the garage or basement waiting to be used. It is a great way to help get rid of those things which we may have forgotten, giving every member the chance to ReUselt! All transactions must be free, legal & family-friendly.
<http://groups.yahoo.com/group/RochesterNYReUselt/>

www.rochesterbirding.com/
The Rochester Birding Association, based in Rochester, was established in 1975. We are very well versed in birding, bird watching equipment, bird songs & everything else bird related. Contact us if you have questions regarding any birding activities.
Situated on the southern shore of Lake Ontario, Rochester is a great place for birding, bird watching & bird field trips. Those of us who live & bird this area are very thankful for the diversity of birds we get to experience. We hope you can join us sometime.

www.rochestergreen.org/
Rochester Greenovation's mission is to strengthen local communities through environmentally conscious initiatives, waste diversion, and education.

We at Rochester Greenovation seek to reduce waste and associated environmental and economic costs by providing and promoting alternatives for reusable materials. We strive to accomplish these goals by educating the public about the value of reusable materials, teaching people how to transform these recycled goods for

practical and creative applications through partnerships with existing social services. We also provide a safe, environmentally responsible building deconstruction and salvage service and promote appliance and furniture repair, all in the mission of increasing the value of reusable materials.
